Investors are optimistic about the economic prospects of the country under a BJP government. The markets have seen a sharp increase in trading volumes and prices. The rally is a reflection of the confidence that investors have in the BJP government. The markets are expected to continue to rise in the coming days.

## Do more educated grooms fetch higher dowry?

Do more educated grooms fetch higher dowry? A study has found that more educated grooms receive higher dowries. The study shows that the dowry amount increases with the groom's education level. This is a significant finding as it indicates that education is a key factor in determining the dowry amount. The study also found that the dowry amount is higher for grooms from urban areas compared to rural areas. The findings suggest that education and urbanization are important factors in determining the dowry amount.
